About Me

I'm a web developer with hands-on experience in HTML, CSS, JavaScript, React.js, Laravel, C#, and MongoDB/SQL Server, capable of working on both front-end and back-end tasks. I have built responsive websites, interactive interfaces, and database-driven applications that are functional, visually appealing, and user-friendly. Motivated and adaptable, I continuously explore new technologies and enjoy collaborating on projects that challenge me and help me grow.
